

Application for Sharon CT Covid Recovery Funds

The Town of Sharon was awarded funds from the federal American Rescue Plan Act (ARPA) to provide grants to residents, businesses and nonprofits that serve the town to help recover from the impact of the Covid pandemic. An applicant must show proof of hardship or explain how a grant would help with the town's pandemic recovery. All applicants will be interviewed by a committee member after receipt of an application. Personal information will be kept confidential, to the extent allowed by U.S. Treasury regulations.

Contact Name: _____

Organization Name (if not an individual): _____

Mailing address: _____

Physical address (if different from mailing address): _____

Phone number: _____

Email: _____

Please describe the hardship you suffered because of Covid or pandemic restrictions.

How much funding are you requesting? _____

What would the funds be used for?

Have you received other funding since March 2020 to address Covid's impact? If so, please list what assistance you have received.

ARPA grant recipients will be asked to file a brief report within three months of receiving funding that explains how the money was used.

The Town of Sharon Board of Selectmen reserves the right to terminate a grant if it is determined that the grantee is not in compliance with federal, state, or local regulations.

Application signature below acknowledges the accuracy of application and responsibility for submitting all required materials.
